*Better Blooming Bulbs*

BETTENDORF, IOWA

Sec. 435½ P. L. & R.

U. S. Dept of Agriculture

Bureau of Plant Industry

Washington, D.C.

## **SIZE OF BULBS**

Large bulbs will be  $1\frac{1}{4}$ " up, medium will be  $\frac{3}{4}$ " up, small will be  $\frac{3}{8}$ " up, as long as available the larger bulbs of each grade will be used. Five or more will be sold at the ten rate. All stock is guaranteed, true to name and free from disease. Any found otherwise will be replaced, including bulblets. In other words your success with our bulbs means our success.

## **DISCOUNTS**

On CASH ORDERS we will offer the following discounts, on CASH ORDERS or \$2.00 to \$5.00 you may select 10% in bulbs, your own choice, and on \$5.00 to \$15.00 select 15%, \$15.00 to \$25.00 select 20% and on orders over \$25.00 select 25%. List your discounts separate.

The discount will not bar us from adding our extra count and also any specials we may want to add, and we are liberal.

## **GOOD WILL SPECIAL**

On all orders received before March 15th, I am going to include something besides the above discounts. Orders of \$5.00, select any bulb or bulblet listed at 50c. Orders of \$10.00, select any \$1.00 item, and so on. Just select an extra item amounting to ten per cent extra of your orders, as well as the above discounts. Crop harvested is the best in years so we can afford to be liberal, and remember no thrips in our field this season.

## **PRICES**

All prices are as low as those of any reputable grower, whose list is at hand, but if lower prices are quoted to you by any reliable grower we will meet those prices as long as our stocks are available. Price per 100 or larger quantities than listed of both bulbs and bulblets on request.

When there is a figure before the price of a variety as 2—20c or 5—25c, etc., it means for twenty cents or five bulbs for twenty-five cents as the case may be.

## **PLEASE NOTICE**

We grow quite a large number of varieties not listed herein and suggest that you write us for quotations on sets or collections, whether bulbs or bulblets of varieties of your own choice. We will also be pleased to quote special prices on your entire needs.

## **COLLECTIONS AND SETS**

I solicit your inquiries for quotations on sets or collections, whether bulbs or bulblets of varieties of your own choice. Try me.

## **OLD CUSTOMERS**

We wish to thank all those from whom orders were received last season and trust you have had good success with our bulbs. Remember, we stand ready to adjust any matter you feel is our fault—mistakes will occur, although we try not to make them. May we ask for a liberal share of your orders again this season?

## **NEW CUSTOMERS**

To those who receive this list for the first time or those who have not as yet placed any orders, large or small, and if you are not pleased with the quality of the stock and the count and extras we stand ready to refund your money upon return of bulbs.
